

CALIFORNIA REGIONAL WATER QUALITY CONTROL BOARD
SAN FRANCISCO BAY REGION

ORDER NO. 85-76

RESCINDING RESOLUTION NO. 517 FOR:

STANFORD RESEARCH INSTITUTE
COYOTE HILLS
ALAMEDA COUNTY

The California Regional Water Quality Control Board, San Francisco Bay Region (hereinafter called the Board), finds that:

1. On November 21, 1963 the Board adopted Resolution No. 517 for Stanford Research Institute (hereinafter discharger) which allowed 500 gallons per day of wastewater to be discharged into oxidation ponds after initial treatment through a septic tank at their Coyote Hills facility.
2. The discharger is no longer operating this facility. East Bay Regional Park District now owns and operates the waste treatment facility.
3. This project involves a change of ownership with no change in facility size or location and as such is exempt from the provisions of the California Environmental Quality Act in accordance with Title 14, California Administrative Code, Chapter 3, Section 15101.
4. This Board has notified the discharger and interested agencies and persons of its intent to rescind waste discharge requirements.
5. At a public meeting this Board heard and considered all comments pertaining to this discharge.

IT IS HEREBY ORDERED that Resolution No. 517 is hereby rescinded.

I, Roger B. James, Executive Officer, do hereby certify the foregoing is a full, true, and correct copy of an Order adopted by the California Regional Water Quality Control Board, San Francisco Bay Region on June 19, 1985.

A handwritten signature in dark ink, appearing to read "Roger B. James", with the word "for" written below it.

ROGER B. JAMES
Executive Officer
